By Order of His Highness the Maharaja,

No. L.S. 8290—L.W. 211-51-2, dated Bangalore, the 22nd November 1951.

In exercise of the powers conferred by Section 39 of the Industrial Disputes Act, 1947, (Central Act XIV of 1947), His Highness the Maharaja of Mysore is pleased to direct that the power conferred on the State Government under Section 3 of the said Act shall be exercised by the Commissioner of Labour in Mysore, Bangalore.

By Order of His Highness the Maharaja,

No. L.D. 1588-9—L.A. 1-51-5, dated Bangalore, the 23rd November 1951.

In exercise of the powers conferred by sub-sections (1) and (2) of Section 5 of the Mysore Payment of Salaries and Allowances to Members of the Legislative Assembly Act, 1951 (Mysore Act II of 1951), His Highness the Maharaja of Mysore is pleased to direct that the following further amendment shall be made in the Mysore Legislative Assembly (Members' Salaries and Allowances) Rules, 1951, namely :—

In rule 8 A of the said Rules, the explanation shall be numbered as Explanation 1 and after the said explanation as so numbered, the following explanation shall be added and shall always be deemed to have been added, namely :—

"*Explanation* 2—For the purposes of this rule, notwithstanding anything contained in sub-rule (3) of rule 2, when a member arrives a day before or leaves a day

after the day of the meeting, he will be entitled to draw daily allowance for the day of arrival and the day of departure irrespective of the fact whether he arrives after NOON on the day of arrival or leaves before NOON on the day of departure."

By Order of His Highness the Maharaja,

No. L.S. 3296—L.W. 61-51-7, dated 22nd November 1951.

In exercise of the powers conferred by Section 12 of the Industrial Statistics Act, 1942 (Central Act No. XIX of 1942), His Highness the Maharaja of Mysore is pleased to make the following rules, the draft of the same having been previously published under Notification No. L.S. 1700—L.W. 61-51-4, dated the 27th July 1951, in the *Mysore Gazette*, dated the 2nd August 1951, as required by the said section.

THE INDUSTRIAL STATISTICS (LABOUR) RULES, 1951.

1. *Short Title and Commencement.*—(1) These rules may be called the Industrial Statistics (Labour) Rules, 1951.

(2) They shall come into force at once.

2. *Definitions.*—In these rules unless the context otherwise requires,

(*a*) "Act" means the Industrial Statistics Act, 1942 (Central Act XIX of 1942);

(*b*) "employer" means:

(*i*) in the case of a factory, the manager nominated under clause (*f*) of sub-section (1) of section 7 of the Factories Act, 1948 (Central Act LXIII of 1948);

(*ii*) in the case of any other industrial establishment any person responsible for the supervision, control or management of the establishment;

(*c*) "form" means a form set forth in the Schedule to these rules;

(*d*) "industrial establishment" means:

(*i*) a "factory" as defined in clause (m) of section 2 of the Factories Act, 1948 (Central Act LXIII of 1948);

(*ii*) a "plantation" used or intended to be used for the cultivation of tea, coffee, rubber, or cinchona, or for any purpose connected therewith; and on which twenty or more persons are employed for that purpose.

(*e*) "Quarter" means a period comprising three months ending on the 31st March, 30th June, 30th September or 31st December; and

(*f*) "Statistics Authority" means the officer appointed under section 4 of the Act to be the Statistics Authority for the purposes of collecting statistics in respect of the matters specified in clause (b) of sub-section (1) of section 3 of the Act.

3. Service of Notice on the Employer by the Statistics Authority.—

(1) The Statistics Authority shall;

(*i*) within two months from the date of the commencement of these rules,

OR

(*ii*) if it is not possible to do so for any unavoidable reason, as soon as possible thereafter, serve a notice on each employer requiring him to furnish to the Statistics Authority in duplicate—

(*a*) quarterly returns in the appropriate form; and

(*b*) statements showing the details of revisions in wages and allowances, and of periodic bonuses granted to the workers together with the conditions of eligibility to such bonuses as and when such revisions are made or bonuses granted;

Provided that the Statistics Authority shall, in the case of an industrial establishment which is not in existence at the time of commencement of these rules, serve the said notice on the employer as soon as may be, after the coming into existence of the said establishment requiring him to furnish the said returns and statements in duplicate, to the Statistics Authority by such dates as may be specified in the notice.

(2) The Statistics Authority shall forward with the notice specified in sub-rule (1) an adequate number of forms in which the returns are to be furnished.

(3) Similar notices after the first notice may be served by the Statistics Authority at such intervals as he may decide.

4. *Furnishing of return by the employer.*—(1) Every employer on whom a notice under Rule 3 has been served by the Statistics Authority shall furnish to him in duplicate :—

(*a*) the quarterly returns referred to in clause (a) of sub-rule (1) of Rule 3 within one month after the expiry of each quarter ; and

(*b*) the statements referred to in clause (b) of sub-rule (1) of Rule 3 as and when such revisions are made or such bonuses granted :

Provided that on the representation of the employer, the Statistics Authority may, if he is satisfied that sufficient grounds exist, allow him such extension of time as he may deem fit :

Provided further that where a change takes places in the management of any industrial establishment after the service of the said notice the new employer shall be responsible for the submission of the said returns and statements.

(2) The employer shall retain with himself a true copy of each return and statement submitted under sub-rule (1).

5. *Return of notice relating to an industry with which an employer is not connected.*—If an employer connected with any industrial establishment receives with the notice served under sub-rule (1) of Rule 3 forms relating to an industry with which the establishment is not connected, he shall, within seven days of the receipt of the said notice, return the forms to the Statistics Authority stating the reasons therefor and giving the names of the industry with which the establishment is connected. The Statistics Authority shall thereupon send to the employer within seven days of the receipt of such intimation, the appropriate forms for such industry together with a fresh notice, if necessary, and the employer shall thereafter furnish the returns required therein within the time limits prescribed in Rule 4.

6. *Returns to be furnished in forms supplied for the purpose.*—The returns specified under Rule 3 shall be furnished only in forms supplied by the Statistics Authority, but if the number of forms supplied is not sufficient the employer shall apply to the said authority for the

supply of an adequate number of forms in time. If the forms applied for are not supplied by the Statistics Authority in time, the employer may make copies of the forms already supplied.

7. *Method of service of notice and furnishing of returns.*—The Statistics Authority shall serve the notice referred to in sub-rule (1) of Rule 3 on the employer at his last known address by registered post or through a messenger under a cover entitled "Notice under the Industrial Statistics (Labour) Rules, 1951," and the employer shall furnish the returns and statements specified in sub-rule (1) of Rule 4 by registered post, acknowledgment due or through a messenger, under a cover entitled "Confidential—Return under the Industrial Statistics (Labour) Rules, 1951".

8. *Information to be furnished in English.*—All information required under Rule 3 shall be furnished in English.

INSTRUCTIONS.

(*a*) For definition of "Worker" please see Section 2(1) of the Factories Act, 1948, Workers below 15 years of age should be classified as children. Workers who have completed the 15th year but have not completed the 18th year, if not certified as adults should also be included under children.

(*b*) "Working days" exclude all weekly and other scheduled holidays even if some of the workers or some of the departments are required to work either full time or part of the time on such days unless a majority of the workers in the establishment are working on such day.

(*c*) Total number of man-shifts worked during the month is obtained by adding together the number of workers who worked on each shift on each day of the month.

(*d*) Total number of man-shifts lost during the month on account of absence is obtained by adding together the number of workers absent on each shift on each day during the month. Man-shifts lost by absence due to strike, lock-out or employer ordered lay-off should be excluded.

(*e*) Total number of man-shifts lost through involuntary unemployment is obtained by adding together the number of workers who inspite of being on rolls, remained unemployed for want of coal or raw materials, breakdown on machinery, inadequacy of work, etc., on each shift on each working day of the month.

(*f*) Average daily attendance is obtained by dividing the aggregate number of attendences on all the shifts on all days during the period by the number of working days. Absences in hours need not be considered. Days on which the establishment was closed for whatever cause should not be treated as working day.

(*g*) Aggregate number of man-hours worked during the period is obtained by adding together the number of man-hours worked on all shifts on all working days. The number of man-hours worked on each shift is obtained by adding together the number of hours worked by each worker on that shift.

(*h*) Please include all cash payments, deductions under the Payment of Wages Act, 1936, and taxes payable and deducted, if any. Contributions to Provident Funds, Pensions, etc., should not be included. The figures should relate to wages, etc., earned during the month.

(*i*) This should include other cash allowances, bonuses, etc., if any, earned during the month. Annual bonuses, etc., should be excluded even if they are paid during the month.

(*j*) This should be worked out by taking into consideration the difference between the wholesale prices of the articles, such as foodgrains., cloth, fuel, etc., which are supplied free to workers or at concessional prices and the actual prices at which they are supplied. The details under each head may kindly be furnished separately. The value of uniform supplied to workers while on work and the cost of amenities provided, such as housing, medical aid, etc., should not, however, be included.
